Very Respectfully
M D Campbell.

Nov. 5,1930

Dr. Marsden D. Campbell

Mapleton Depot, Pa.

Dear Dr. Campbell:

Please pardon the delay in acknowledging or returning your coins. At the time we were very busy laying out an exhibit prior to our opening. I am herewith returning them attributed. You will note that two of them are not attributed; it was impossible to do so as they are local imitations, which is true of so many of the Indian coppers.

Sincerely yours,

Curator.
